Labette County Sheriff's Office Launches Redesigned, Enhanced Website!

Labette County, KS – The Labette County Sheriff's Office launched a redesigned and enhanced website on May 27, 2026, where residents can find the latest information regarding the operations of the Sheriff's Office, as well as inmate bookings, released inmates, registered offenders in the area, and more.

“Our goal remains simple: To keep the citizens of Labette County informed, engaged, and safe. I invite every resident and visitor to explore the new website at www.labettecountykssherriff.org, particularly the new Inmate Roster.” stated Sheriff Darren Eichinger.

This significant upgrade represents our continued commitment to transparency, accessibility, and excellence in public service. Since our original website was launched in 2016 and was made mobile-responsive in 2020, our office has worked diligently to leverage new technology to better serve the residents of Labette County. The new site delivers a more professional, user-friendly experience that provides accurate, up-to-date information 24 hours a day, seven days a week.

One of the most important improvements is our new online Inmate Roster. It now features a cleaner, more organized layout with individual inmate profiles that include photos, charges, bond information, and direct links to important services such as visitation scheduling, commissary, and victim notification through VINE. We believe this enhanced transparency will be a valuable resource for families, attorneys, and the general public.

We invite the community to visit www.labettecountykssherriff.org/inmate-roster/disclaim to view the new Inmate Roster!

Some additional features and functions on the newly upgraded website include:

- **[Contact Form](#)**: an online form available to contact the Sheriff's Office via email.
- **[Crime Tips Form](#)**: an online form allowing users to attach photos, video, audio, or other files while submitting non-emergency crime tips.
- **[Divisions & Services](#)**: information available regarding the divisions & services of the Sheriff's Office organized on different pages.
- **[FAQs](#)**: allows users to view answers to frequently asked questions separated by category.
- **[Forms](#)**: allows users to submit online forms created by the Sheriff's Office.
- **[Message from the Sheriff](#)**: recent messages from the Sheriff with the ability to view all previous messages shared.

- **[Most Wanted](#)**: allows the public to view descriptions and photos of wanted individuals.
- **[Offender Search](#)**: an interactive map feature allowing the public to view registered offender locations on the map (color-coded by offender type), offender photos, and profile information about the offenses.
- **[Press Releases](#)**: news items posted by the Sheriff's Office listed in date order that can be sorted by year or category.
- **Social Media Links**: allows users to follow or view the Labette County Sheriff's Office on [Facebook](#) and [LinkedIn](#).

A new App will be available in the Google Play Store and Apple Store soon! Once the app is available in both stores, users will have the ability to sign up to receive alerts via app push notifications and stay connected with our office like never before. Please check back to the [Download Our App page](#) in the near future.

All residents of Labette County and the general public are encouraged to visit our newly upgraded website! Website administrators are able to publish important information including updated information, upcoming events, recent news, and more! The website will be updated continually, with new information that will benefit all users.

For more information about the Labette County Sheriff's Office enhanced website, please contact the Sheriff's Office at 620.795.2565 or visit www.labettecountyssheriff.org.
